

Nemak included in Dow Jones Sustainability Indices for third consecutive year

Monterrey, Mexico. November 16, 2021. - Nemak, S.A.B. de C.V. ("Nemak") (BMV: NEMAK), a leading provider of innovative lightweighting solutions for the global automotive industry, announced today that it has been selected as an index component of the Dow Jones Sustainability Indices (DJSI) for the third consecutive year.

Nemak will remain part of the Dow Jones Sustainability MILA Pacific Alliance Index, comprised of companies with leading economic, social, and environmental practices in Latin America.

“We are honored to be part of this important index for the third consecutive year. Our sustainability agenda is a fundamental catalyst for our 2030 strategy, and for our ongoing commitment to make a significant contribution to the transformation of the automotive industry and to the future of sustainable mobility,” said Armando Tamez, CEO of Nemak.

The DJSI is among the very first set of global indices to track the largest and leading sustainability-driven publicly listed companies.

About Nemak

Nemak is a leading provider of innovative lightweighting solutions for the global automotive industry, specializing in the development and manufacturing of aluminum components for powertrain, e-mobility, and structural applications. In 2020, it generated revenue of US\$3.2 billion. For more information about Nemak, visit www.nemak.com
