

Nemak included in Dow Jones Sustainability Indices for second consecutive year

Monterrey, Mexico. November 19, 2020. - Nemak, S.A.B. de C.V. ("Nemak") (BMV: NEMAK), a leading provider of innovative lightweighting solutions for the global automotive industry, announced today that it has been selected as an index component of the Dow Jones Sustainability Indices (DJSI) for the second consecutive year.

Nemak will remain part of the Dow Jones Sustainability MILA Pacific Alliance Index, comprised of companies with leading economic, social, and environmental practices in Latin America.

“We are honored to receive again this recognition of our corporate sustainability performance. At Nemak, we aim to drive change in the automotive industry through developing lightweighting solutions that shape the present and future of sustainable mobility, while acting responsibly toward the environment, people, and communities,” said Armando Tamez, CEO of Nemak.

The DJSI is among the very first set of global indices to track the largest and leading sustainability-driven publicly listed companies.

About Nemak

Nemak is a leading provider of innovative lightweighting solutions for the global automotive industry, specializing in the development and manufacturing of aluminum components for powertrain, e-mobility, and structural applications. In 2019, it generated revenue of US\$4.0 billion. For more information about Nemak, visit www.nemak.com
